Sickness Indemnity Insurance

Are you prepared to deal with the strain on your personal finances if you become sick and require hospitalization or surgery?

Painful realities

You may manage your routine health care costs effectively, but when an illness results in hospitalization or surgery, you could find yourself paying insurance deductibles, copays, coinsurance and the costs of transportation, child care or home care. Add it up and the total can be staggering.

VoluntaryMart® Sickness Indemnity Insurance can be your financial safety net

VoluntaryMart provides an immediate cash benefit – paid directly to you – if you have an accidental injury that results in hospitalization or a sickness that results in hospitalization, surgery or a major diagnostic exam. Benefits for sickness-, accident- or wellness-related physician visits are also included.

Cash for you at a time you need it most

- No deductibles, copays or coinsurance requirements
- No lifetime limits
- No restrictions on your choice of doctors or hospitals
- No preauthorization for treatment
- No limitations on how you spend it

Cash paid regardless of other insurance you may have

With VoluntaryMart Sickness Indemnity Insurance, you decide what to do with the money. Use it for medical bills, to replace lost income, to cover transportation costs, to pay for services you can't perform, or for other needs.

VoluntaryMart Sickness Indemnity Insurance is filed with the state departments of insurance as Hospital Confinement Sickness Indemnity Insurance.
